### CATALOG OF LIVING ALUMNI

#### EDITORIAL NOTE.

The last edition of the Alumni Record of Dickinson College was published in 1905. Biographical information, as complete as possible, was there given with respect to all the alumni of the College—graduate, non-graduate and honorary.

A work of such character can only be repeated after an interval of many years. In view of this fact, it has been determined to issue in November of each succeeding year, as a supplement to the Alumni Record, lists of the living alumni of the College and School of Law—graduate, non-graduate and honorary. These lists are here arranged by classes, giving the addresses of the parties as far as possible; also according to geographical distribution. In this way it is hoped that every alumnus now living will be kept in touch with the College and a ready and reasonably accurate means of communication provided.

The effort to keep track of 2,500 men and women, a surprisingly large number of whom change their places of residence with each succeeding year, is, of course, a task of great magnitude. Its successful prosecution must depend in large measure upon the co-operation of the alumni, each of whom can render the greatest assistance by notifying the College office of any change of address during the year.

Each alumnus is also urgently requested to forward at once to the *President of the College, George Edward Reed*, any information he may have with respect to any classmate or friend whose address is incorrectly given, or, because of lack of information, omitted.

GEORGE L. REED, '04,  
Editor.

## A WORD TO THE ALUMNI.

It affords us great pleasure to report to the alumni of the College that the academic year, 1909-10, has opened most auspiciously. The new students enrolled in the College of Liberal Arts number 120. Of this number 119 have entered the Freshman Class. The number re-entered in the respective classes is 7; a total of 127. Thirty new students have been entered in the School of Law, and about sixty in Conway Hall; grand total of new students in all departments, 217. The total registration in all departments is between 580 and 600.

The alumni will be glad to know that the new Herman Bosler Biddle Memorial Field has been thoroughly equipped by the generous donors, the Hon. and Mrs. Edward W. Biddle, and is now in use. The grandstand, entrance gates and tennis courts are greatly admired, and the Field is justly regarded as one of the finest in the country.

## ACKNOWLEDGMENTS FROM PRESIDENT REED.

The president desires through the columns of *The Bulletin* to express to the Trustees of the College his deep and hearty appreciation of the action of members of the Board in presenting to him on the occasion of the last Commencement an elegant Loving Cup, suitably inscribed, as a testimonial of their confidence and esteem, and in recognition of the completion of twenty years of service in behalf of the College; also to the Rev. Dr. B. C. Lippincott, their spokesman, for the hearty words of commendation spoken by him in presenting the cup. He also desires to express the sincere thanks of Mrs. Reed and himself for the substantial check recently received through the Hon. Edward W. Biddle, Chairman of the Alumni Committee having the matter in charge, aggregating the gifts of many alumni and other friends, with the suggestion that the same be used by the president and his wife in taking a much-needed vacation trip at their early convenience. In accord with the kind suggestion, Dr. and Mrs. Reed will probably visit Mexico during the coming winter months.

Sincerely yours,

GEORGE EDWARD REED.

## GEOGRAPHICAL INDEX

Showing Distribution of Alumni by Countries, States,  
Territories, Cities and Towns.

NOTE.—In the Geographical Index names in *italics* are those of honorary alumni, not graduates. A class numeral followed by the letter L, indicates the party is a member of the Law class. Where the city has a population of 50,000 or over the street address is given when possible. Only alumni are mentioned whose present addresses are positively known.—Editor.
